

QUBIT™ PRO

LED HEADLIGHT

All Comfort Pads Treated with MICROBAN®

Adjustable Headband for Customizable Fit

Adjustable Links for Ergonomic Wear

Durable Aluminum Housing

Fixed Spot Size

THE MOST ECONOMICAL LED HEADLIGHT

The illumination spot of the **Qubit Pro LED Headlight** features clear, cool, white light that is uniform and consistent. This headlight offers a lightweight and economical way to bring LED light into any practice. Attach the the Beam Adjustment Filter to make the headlight semi-adjustable.

55,000 - 120,000 LUX

Ranging from 55,000-120,000 lux* - depending on working distance - of pure white homogenous light for extreme surgical field illumination.

COMFORTABLE AND ERGONOMIC

Designed for ultimate adjustability, comfort, and durability, the Quantum Cool headlight adjusts to your exact fit, desired working distance and light angles.

BEAM ADJUSTMENT

A simple flip filter allows the Qubit Pro to have a semi-adjustable light that doubles the spot size. For smaller, more focused light, simply flip the filter off the lens.

*Lux is variable based on preferred working distance

TECHNICAL DATA

Model Name	Quest	Quantum Cool	Quasar Cool	Qubit Warm	Qubit Pro
Light Source	High-powered LED	LED refractive technology			
Brightness @ 10"	240,000 Lux	500,000 Lux	300,000 Lux	160,000 Lux	120,000 Lux
